

Online Courses for In-Service Training Requirement

- ✧ Complete mandated training hours from the comfort of your home. Training online offers flexible hours.....train around your schedule
- ✧ Courses are developed by professionals with extensive experience in the foster care arena, and most hold a Masters or Ph.D.
- ✧ Over 108 topics to choose from (including 4 interactive courses)
- ✧ Special Lifebook course which includes 33 colorful templates to help create individual lifebooks
- ✧ Certificates are generated immediately upon passing (80%) course test with participant's name, course title, date, and credit hours
- ✧ Certificates are beautiful and may be emailed or downloaded from the screen to your computer, printed out and presented to your agency
- ✧ New courses are added continuously
- ✧ Our data base keeps copies of certificates should they be misplaced or lost
- ✧ Assistance and support available 7 days a week

Note: take one course at a time – the agency is charged each time you register for a class. For each year there is a limit of two classes per person from this company.

Simply go to:

www.fosterparents.com/shenandoah

1. Fill in registration form on above site address
2. Select courses and submit by clicking on "Submit" button
3. Your course links will be emailed within 24 hours (usually within minutes)
4. Read the course material - take test
5. Receive certificate of completion by email or choose to download directly to your computer
