

Meet Alea Age 8

Alea is an 8 year old African American female. She is very energetic and loves arts and crafts. She likes drawing and coloring and has a good imagination. Alea does well academically but would benefit from support with reading. She is extremely smart and likes attending school. Alea enjoys dancing and staying active. Alea does best when given opportunities to earn positive reinforcements. Alea would do best in a family where she has lots of one on one attention. Alea would benefit from a family that supports her with fostering positive social relationships with peers. Alea enjoys eating out at Mc Donald's as her favorite restaurant.
