

Meet Brien

Age 15

Brien is a 15 year old Caucasian male who loves to make people laugh. Brien enjoys playing outside and loves being in nature. He is very caring and sweet. He is enjoyable to be around. He loves animals and is very curious. Brien connects well with children slightly below his age level. He loves being social and is generally a happy child. He likes playing video games or watching TV. Brien would thrive with a family that encourages him academically and socially with peer interactions. He would like to live in a rural setting where he can explore the outdoors.
