

# INTRODUCING JORYAN AGE 12

JoRyan is an 12 year old expressive and boisterous young man. He has a wonderful sense of humor, which he freely shares with anyone that he meets. Joryan enjoys playing video games, board games, card games and any game involving strategy. Another thing that stands out about Joryan is that he has a special love for sweets, ice cream and a wide variety of junk food. Joryan would do best in a home either by himself or with older children. Joryan would also do well with a family that is going to continue to support his ongoing educational needs.
